Old Curtainsiders can be refreshed by a new pair of curtains and a coat of paint to give it an entirely revitalized look. For further improvement and versatility, parts can be replaced or updated with the latest Curtainsider advancements. Existing units from other manufacturers can be greatly improved by adding some of the desired options available at Curtainsider. Combine all this with a fast turnaround, your Curtainsider can begin a new life in short order!

Replacement curtains are available in your choice of 20+ colours and consists of 27oz. 2x2 double thread Panama weave. All our PVC is coated both sides to meet the highest standards for durability and life expectancy.

We also offer time tested and ***proven ink graphics***, designed and applied on your colour of curtain. Graphics can be designed and applied by Curtainsider's experienced team.
For the extra impact, you can choose fully printed digital curtains.
